

Your well-being,
our philosophy.

- At Philosofish, we are shaping the future of responsible Mediterranean aquaculture.
- As one of Europe's leading aquaculture producers, we set the standard for sustainability, innovation, and premium quality.
- Our Sea Bass, Sea Bream, Pagrus, and Meagre are raised in pristine Aegean waters with a deep respect for nature, ensuring superior taste, nutrition, and minimal environmental impact.
- With 660+ professionals and a presence in 30+ global markets, we combine tradition with innovation to responsibly unlock the sea's potential—for your well-being.

Philosofish Partnership

Elevate Your Retail Space, Enhance Customer Trust,
and Transform Every Transaction into a Wave of Success!

Boost Sales, Reduce Costs

Our MAP technology preserves quality, enhancing market reach and minimizing handling costs.

our philosophy.

from the
Aegean Sea
to your
plate!

**Sea
Fresh
Pack**

Discover
**Philosofish
SeaFresh Pack
Range!**

Delivering the authentic taste of the Aegean
to your table with fresh fish, ready in 15 minutes
for delicious, healthy everyday meals.

A new era of Fresh Packaged Fish

Enjoy the freshness and convenience of **SeaFresh Pack** – fresh fish, ready to cook in just **15 minutes!** The innovative Modified Atmosphere Packaging (MAP) preserves quality, taste, and texture for up to **12 days**, offering a healthy and practical solution for your everyday meals.

Why Choose **SeaFresh Pack**?

-  **Ready in 15 minutes**
Cleaned and easy to cook.
-  **Freshness & flavor**
Maintains quality for up to 12 days.
-  **Easy storage**
Odor-free, space-saving in the fridge.
-  **Nutritional benefits**
Rich in **Omega-3, protein, and vitamin D**, low in fat.
-  **Convenient packaging**
Available in Standard Pack, Plus Pack and Family Pack.

Innovation & Sustainability

The MAP packaging preserves the texture, color, and freshness of the fish, allowing retailers to offer high-quality products without the need for a fish counter. At the same time, the recyclable PET packaging reduces environmental impact. With tailor-made trays, bold brand colors, an engraved logo and tagline, the SeaFresh Pack packaging offers unique aesthetics, high brand recognition, and eco-friendly materials, setting new industry standards.

Our Commitment to Sustainability

At Philosofish, we invest in responsible aquaculture, using certified feeds and renewable energy sources. Every fish we produce is ethically farmed with respect to nature.
